

THE PERSE  
SCHOOL  
CAMBRIDGE

November 2023

Dear Old Persean,

Please find enclosed your certificates for your GCE exams. If you think that a certificate is missing, please check with me; it may be that a certificate has had to be returned for amendment following a remark.

**This certificate is important, and must be kept safely.** Universities and future employers may well ask to see it. Awarding bodies are very reluctant to provide duplicate certificates and will require proof of the destruction of the original (e.g. in a fire) before doing so. They will supply a statement confirming your results, but they charge fees for this service. I should also point out that you cannot rely on the school being able to confirm your results at a later date because of the Data Protection Act.

**It is very important to check that all the details on the certificates are correct, especially if one of your grades changed in a re-mark.** If you believe that there is an error, please contact me immediately.

I would like to take this opportunity to congratulate you on your achievements and wish you all the best for the future.

With best wishes,

Joanna Jeffels
